ICUBA is proud to introduce an exciting **NEW** partnership with SurgeryPlus

The most anticipated new benefit of the year is here! ICUBA is always seeking high quality benefits to provide options to help reduce our member's costs. With you in mind, we've contracted with SurgeryPlus as a voluntary benefit available to all medical plan participants beginning on April 1, 2019. The SurgeryPlus benefit provides access to top-quality surgeons and a full-service concierge team for ICUBA's members. If you are enrolled in an ICUBA Medical Plan, you are automatically enrolled in this specialized benefit and have access to the SurgeryPlus "Surgeons of Excellence" network.

If you are a candidate for a non-emergent, medically necessary surgical procedure we encourage you to contact our partners at SurgeryPlus at 1-855-200-2119. The dedicated Care Advocates are ready and waiting for your phone call, and eager to assist members and handle all administrative tasks associated with the surgery process. Every time you call SurgeryPlus, you will speak to the same Care Advocate. That Care

Advocate will know you, know your needs and best be able to assist you in navigating the complex maze known as our healthcare system.

Excited yet? Let's sweeten the pot... By going through SurgeryPlus for your surgical needs, ICUBA waives your deductible and coinsurance. This means that the surgical procedure is no cost to ICUBA members. The benefit covers consultation appointments, surgical procedure and post-operative appointments up to 90 days.

Please keep in mind, pre-operative labs and testing will be done at your PCP or Quest and will be submitted to your current medical plan through BlueCross BlueShield (BCBS). Additionally, follow-up care such as physical therapy, durable medical equipment and lab work will still be covered by the BCBS medical plan and necessary prescription drugs will be covered under OptumRx. Coinsurance or copays will still apply for these services ... *(continued on page 2)*

Access to High Quality Surgeons

- Network of only board-certified surgeons
- Exclusive concierge service
- Waived deductible and coinsurance for medically necessary, non-emergent surgeries

Remember to visit our website—<http://ICUBAbenefits.org>

This user friendly site is your one stop shop for all things benefits! Visit our single sign-on section located below the scrolling banner and gain access to ICUBA’s Brand Partners including BCBS MyHealthToolkit and Rally, OptumRx Prescription Drug Portal, SurgeryPlus, Resources for Living EAP and Aetna Navigator and of course, the ICUBA MasterCard!

SurgeryPlus — continued!

... following the surgical procedure, not related to post-operative appointments.

SurgeryPlus also offers a member portal accessible through single sign on. You can access the portal by going to <https://ICUBAbenefits.org> and scrolling down to the **My Carrier Accounts** section. From there, you simply click on the **SurgeryPlus** link (*first time registration is required*). The SurgeryPlus portal provides lots of information for the member, including your Member ID card. You will find general contact information, testimonials and resources including questions to ask your surgeon and surgeon highlights.
