

CASE COMPETITION

Tobacco and Vaping Prevention at NSU

- Hosted by Dr. Kiran C. Patel College of Osteopathic Medicine, NSU Area Health Education Centers (AHEC), and the Center for Academic and Professional Success (CAPS).
- Join the challenge to design an innovative wellness campaign aimed at reducing tobacco and vaping use among NSU students!
- Teams will create engaging prevention strategies—including social media, videos, and infographics—for a chance to win a \$500 prize and earn research hours.
- 1 ExEL Unit for all students participants.
- Sign up now and make a meaningful impact on campus health!

WHAT IS A CASE COMPETITION?

- ✓ It all starts with a real-world healthcare challenge—presented as a brief story or scenario, with data.
- ✓ Students (solo or in teams of up to 5) develop creative, research-informed solutions and present them to expert judges.

WHAT YOU'LL GAIN?

- ✓ Certificate of 40 Research Hours
- ✓ 1 ExEL Unit
- ✓ Certificate of Completion
- ✓ Prizes (\$500)
- ✓ Resume-ready experience in **innovation, critical thinking, and health trends**
