

# Funding Alert

Below you will find a selection of upcoming funding opportunities. You can find more grants to support research and programs by searching the online database **SPIN** (*this replaces the Pivot funding database*):

- **\*new\*** [7-minute instructional video on searching the SPIN funding database](#)
- [Create an account using your NSU email](#) (*\*new accounts will be approved for access*)
- [Log in here once you have an account that is approved](#)
- [When on NSU's campus and internet, you can log in without an account](#)

Want to discuss your project idea or possible funding sources, feedback on your grant documents, or other grantseeking support? **Contact the NSU Grant Writing Manager, Melanie Bauer** ([mbauer1@nova.edu](mailto:mbauer1@nova.edu)).

## Funding Opportunities for Climate Research & Programs

Sponsor	Grant/Program	Description	Deadline
NEH	<a href="#">Climate Smart Humanities Organizations</a>	Offers federal matching funds for comprehensive organizational assessments that lead to strategic climate action and adaptation plans. Humanities organizations can undertake activities such as energy audits, risk assessments, and meetings with consultants. The resulting climate smart plan helps establish goals and prioritize actions to reduce impacts on the environment.	9/18/24
NOAA	<a href="#">Broad Agency Announcement</a>	Encourages research, education and outreach, innovative projects, and sponsorships aligned with program priorities: <b>climate adaptation and mitigation</b> , weather-ready nation, healthy oceans, and resilient coastal communities and ecosystems.	Rolling through 9/30/24
NIH	<a href="#">Impacts of climate change across the cancer control continuum (R21)</a>	Aims to support innovative research relevant to advancing the understanding of the effects of climate change across the <b>cancer control continuum</b> , from cancer etiology and cancer risks through survivorship, and ways to prevent or mitigate negative health effects.	10/16/24  (additional deadlines: 2/16/25, 6/16/25)

		<i>*Complementary <a href="#">R01</a> funding opportunity.</i>	
EPA	<a href="#">Environmental and Climate Justice Community Change Grants Program</a>	Support comprehensive community and place-based approaches to redressing <b>environmental and climate injustices</b> for communities facing legacy pollution, climate change, and persistent disinvestment.	Rolling through 11/21/24
NSF	<a href="#">Focus on Recruiting Emerging Climate and Adaptation Scientists and Transformers (FORECAST)</a>	Seeks to facilitate the transition from status quo <b>graduate career preparation</b> to a student-centered model with a particular emphasis on building entrepreneurial and innovation capacity at emerging research institutions (ERIs). Planning grant proposals will build capacity at ERI institutions and with the appropriate partners to undertake the activities necessary to establish a future FORECAST track 2 cohort.	1/29/25 for Track 1  4/30/25 for Planning Grant and Track 2
National Hazards Center	<a href="#">Special Call for Health Outcomes and Climate-Related Disaster Research</a>	\$10K-\$50K for quick response research focused on <b>health outcomes</b> among groups disproportionately affected by climate-related disasters. Funds must be used to collect perishable, health-relevant data for events that occurred within 6 months or less of proposal submission.  <i>*Complementary <a href="#">Quick Response Research Award Program</a> funding opportunity.</i>	<i>Rolling</i>
The Glaser Progress Foundation	<a href="#">Global Health &amp; Climate Change Grants</a>	Glaser Progress Foundation believes that reframing <b>climate change as a public and global health emergency</b> is one of the most effective ways to change and advance the current debate. Varying award sizes available.	<i>Rolling</i>
NSF	<a href="#">Earth Sciences Instrumentation and Facilities (EAR/IF)</a>	Supports <b>infrastructure proposals</b> for the following: acquisition or upgrade of research equipment; development of new instrumentation, techniques or software; and community facility support to make complex and expensive instruments.	<i>Rolling</i>

Find a listing of past themed grant opportunities on [this site under the “NSU Funding Alerts” dropdown](#).

Use these compilations to better understand the funders in your area, even if the deadlines have passed. Many funders have recurring annual deadlines for grant programs.
